

U3 Student Sponsor Agreement

U3 is an organisation that enables sponsors (private and companies) to donate to selected young Ugandan students who have the skills and motivation but not the necessary financial background.

This agreement is made with U3 (www.U3.nu) to ensure the rights for U3 to keep and display your data and allow sponsors to contact with you as long as the sponsorship is running.

By signing this agreement you accept the following conditions:

1. U3 is allowed to store, keep and display your **name, schools, age, sex, contact data, photos, media, reports, letters, receipts and studying documents** on U3 homepage under restricted access to the people or companies that support you as long as the sponsorship is running.

U3 is allowed to display your portrait photo and name to all potential sponsors. You will be able to see all the data we keep about you on the U3 homepage.

2 **You can withdraw the permission** to have your data displayed, which will cause your data to be deleted and subsequently the sponsorship to be terminated.

3. You are entitled to have any errors regarding your content corrected on the homepage. You are also entitled to have a specific piece of content removed if you consider it unfit for the purpose.

4. You study actively and pursue your goal of a higher education. The educational institution can confirm by request that you are an active and well behaved student.

5. The sponsorship is for students in need, and it is exclusive, meaning that it is discontinued if you are found to have other sponsors or the financial situation of you or your family significantly improves.

6. You will have access to meet your sponsors online and you are encouraged to communicate via U3 homepage to be in contact with your sponsors. You give consent that the sponsors are allowed to contact you online (on the homepage, by email or whatsapp).

7. You must inform U3 of any change in your planned study. If you end or pause your study the sponsorship is terminated unless special circumstances is accepted by U3.

8. The sponsor money is paid directly (to your school, institute or likewise) and is meant to pay for your **study, food, housing and a small amount for personal care**. You cannot request money to use for other purposes.

9. U3 is not in any way obliged to pay any amount if sponsors fail to support for any reason. U3 and sponsors are not obliged to pay any other expenses than mentioned in section 8 above.

10. **U3 and sponsors cannot be held responsible** for any decision, action or outcome in your life and study.
